We have found some of the best jams, jellies, seasonal Peanut butter, and localized Sauce for you to tantalize your taste buds with.**

**Our Program works by you first purchasing a share (debit) in the beginning of the Season. We then add a Bonus percentage to this amount as a way of thanking you for helping us to get the season started. We grow and bring you all the Seasons bounties as they become available. You spend your share amount "like cash" as it fits your schedule from April through December. Make your own selections, at the times you want, on the day or days you prefer. We are open 7 days a week and Everything at the Farm Market is part of the program!**

**The other perk to this is the Specials that we spiratically run ..... some just for you the members and others that you ate alerted to before the regular customers.**

**It becomes a Healthy Friendship for both of Us!!**
