## 2021 CSA Program: Giving You the "Full Plate"!

**J.A.D.S. Farm Market is proud to offer it's 4th season in our NJ location and our 12th season overall of our Farm Market Style CSA!**

### Community Supported Agriculture

In this day and age, it's important to know the true origin of your food. With this program, you know the farmer and his family. You learn about the black dirt farm, how your food is grown and raised, and ways in which it can be prepared. We are naming year the "Full Plate" because we have made so many new Local Farm friends since our move to NJ, that we now have much more to offer you.

**JADS Farm Market is supplied by John D Madura Farms.**

- 300-acre Black Dirt farm in Pine Island, NY (15 minutes from the farm stand)
- Our seeds and plants are never GMO. (Genetically Modified Organism)
- We practice IPM. (Integrated Pest Management) so no preventative spraying
- We are certified by the USDA in GAPs (Good Agriculture Practices) and Food Safety.

Every year we ask Mother Nature to Bless our Farm with Good Weather for an Abundance Healthy Flavorful Crops! We pray for the Bees to be bountiful in our hives and that our Free Range Chickens are happy layers. This past year we raised our own Berkshire pigs, right next to the chickens, a space we laughingly call Bacon and Eggs. We have our own Greenhouses where we start our plants and herbs, annuals and perennials, as well as design unique hanging baskets. In our Mushroom room, we cultivate 5 varieties of Mushrooms. From Local Farms in the area, we source Fresh Fruits, Grass Fed and Finished Beef, and Creamline Milk. We have also found some of the best local producers of Fresh Mozzarella, flavored cheeses and butters, jams and jellies, sauces, and baked goods. This past season we added Gourmet Ravioli and Pasta. We think you get the idea of a "FULL PLATE"! Just check out our Product List!

### How our CSA works:

- **You purchase your share (debit)** at the beginning of the season. We then *thank you* by adding an Extra Bonus to your share (the earlier, the bigger the thank you!).
- We grow and then bring to the stand, all of the delectables as they come into Season.
- You shop when it's convenient for you. **We are open 7 Days a Week from 9am-5pm, April through December.**
- Your purchase is then deducted from your "share". We keep in touch with emails and account balances.

### USE YOUR SHARE ON ANYTHING IN THE STAND, all Season Long!

To build on this Healthy Friendship, we have bonuses for you, our appreciated CSA Members, throughout the season - like occasional member sale events, BOGO first choice sales and you are always alerted first on special releases!

**Memberships go fast and the earlier you sign up the Bigger your Bonus Share!**
