## 2019 CSA Program

### We Grow...You Choose Your Favorites!

**J.A.D.S. Farm Market is proud to offer it's 2nd season in our NJ location and our 10th season overall of our Farm Market Style CSA!**

Do you want original hanging baskets, healthy vegetable plants just like your farmers for your home, local milk and meat, the juiciest fruits of the season, fresh healthy vegetables from a local black dirt farm, all the colors and flavors of fall, wrapping it up with beautiful handcrafted Holiday items and the best Homemade Holiday dinner fixers? Sweet White **CORN** and Beefsteak **TOMATOES** are *always* included along with many other favorites.

#### **What is Community Supported Agriculture?**

- A way for you the Customer to be a part of the farm.
- Know your farmer and your foods true origin.
- SHOP local and eat healthy.

**JADS Farm Market is supplied by John D Madura Farms - a family run 300-acre black dirt farm in Pine Island, NY. ( 15 minutes from the stand)**

- We work hard to bring you the best!! Every year we ask Mother Nature to Bless our Farm with Good Weather and an Abundance of Healthy Crops so that we may help feed people Fresh Flavorful Veggies!
- Our seeds and plants are never GMO. (Genetically Modified Organism)
- We practice IPM. (Integrated Pest Management)
- We are certified by the USDA in GAPs (Good Agriculture Practices) and Food Safety.

We have free range chickens for eggs, hives on our Farm for honey, and grow our own mushrooms.

We have partnered with some of our farmer friends to also bring you local fruits, Creamline milk, mozzarella and goat cheeses, Grass fed and finished beef, and baked goods. This year we are looking into pork and pasta.

#### **So you ask how this works?**

In the beginning of the season you purchase a share ( debit ). We add a bonus percentage to your amount as a way of thanking you for helping to get the season started. You then spend that amount " like cash" all season long from April to December. We have found this to work better because you make your own selections, at the times you want, and on the days you choose!! Plus there are always specials that you our member are alerted about before our regular customers. It becomes a Healthy friendship for both of us!

**JADS Farm Market is open 7 days a week, April - December, from 9am - 5 pm.**

***Memberships go fast and the earlier you sign up the bigger the bonus!***

If you have any questions, feel free to contact us by phone at **845-258-1102** or email [info@johndmadurafarms.com](mailto:info@johndmadurafarms.com)
